

SUMMER RISE SPONSORSHIP LEVELS

Summer RISE is an initiative led by the Montgomery County Public Schools' (MCPS) Department of Partnerships in collaboration with businesses, government agencies, higher education institutions, and nonprofit organizations. The program is for **rising MCPS juniors and seniors** to participate in a **career-based learning opportunity** during the summer. Students will have the opportunity to engage in **hands-on learning opportunities** related to their field of interest to help inform student decision making about life after high school and benefit from the ambitious and talented youth of Montgomery County.

Your sponsorship will support the Summer RISE program implementation, closing ceremony costs and student materials.

Sponsorship Level Benefits	\$10,000+ Platinum	\$5,000 Gold	\$2,500 Silver	\$500 Bronze
